Madinatul Ilm Academy

Annual Report 2019

Invest in Educating the Underprivileged

Message from the President

Making a difference

Alhamdulillah, Madinatul Ilm Academy has completed 23 Years of service to underprivileged children. Slowly but surely, we are reaching our goal to eradicate illiteracy from the slum areas and help bring prosperity through education. Your charitable support is critical in functioning of the two high schools, an overall strength of 850+ students and 40+ teachers.

We have programs to provide career counseling to tenth class students. We regularly meet Alumni and closely monitor their career goals and further college studies and encourage students for professional courses such as Engineering, Pharmacy, and Paramedical courses. From last two years Alumni are giving back to school via donations and volunteer work. We already started to see the transformation in their lifestyle, Industry knowledge and corporate work experience. A few alumni have started their own businesses; few have chosen teaching as their profession.

We are regularly holding seminars and inviting scholars to suggest measures to be taken to improve the standard of education. The details of school activities can be seen in the brochure.

I would like to acknowledge the special situation due to Covid-19. The families of our students are greatly impacted as almost all are daily wage workers. Some private donors stepped up and provided food provisions to the families of our students. We are very grateful for their generosity.

I am grateful to Allah (SWT) for giving me the opportunity in this good cause. On behalf of the Madinatul Ilm Academy, I am very grateful to all our donors and well-wishers. We wish you a safe, healthy and blessed Ramadan.
