Madinatul Ilm Academy Annual Report 2023

“Invest In Educating the Underprivileged”

Message from the President

Assalamualykum and Ramadan Mubarak to you and family,

Alhumdulillah, with Allah's grace, our team at Madinatul Ilm Academy has had another successful year. Here are some of the programs your donations have supported for the children of Bright Future Schools in Hyderabad, India. Over 900 students continue to receive education who otherwise would be pulled into child labor. Over 80 orphans are receiving scholarships and free education. Construction of 3 additional classrooms at Hassan Nagar campus will add additional learning space, first floor completed and second floor in progress.

Our goal last year was to focus on the quality of education. We are happy to report that the following steps had been taken:

1. Weak students are continuously being identified in each class for the teachers to spend extra time with them. This helps bridge their knowledge gaps.
2. After school classes have been setup for High school students for extra coaching in Math, Science, English, and Telugu. This gives students extra instruction time.
3. Spoken English classes (online) have been added at Mustafa Nagar campus. This places our students at a better competitive edge with their peers.

We are already seeing positive results from the above changes. In the long run, we expect our students to excel with the extra work, and to bring the weak students to a better result.

Our Executive Director Mr. Syed K Hamid Hussain and myself had our annual trip to the schools. And it includes spending quality time with the Managing Committee, Education Team, Students and Teachers. It is always inspiring to see the students of BFHS graduate and move onto higher education. Please check out the 'Success Stories' section to learn about what our Alumni are up to. We now have 3 students studying in the US, which is heartwarming. We are committed to seeing our students excel around the world. Once again, we thank you for your continued support in educating our ummah. We are stronger together Inshaallah.

Wishing you and your family a blessed Ramadan!

Ansar Ahmed
