# Madinatul Ilm Academy Annual Report 2024

*“Invest In Educating the Underprivileged”*

# Message from the President

Alhamdulillah, our team at Madinatul Ilm Academy has had another successful year. By Allah's grace and the hard work of our board and staff of Bright Future High Schools Hyderabad, we are pleased to share this year's Annual Report and some of the programs your generous donations have supported for our students.

We remain committed to enhancing the quality of education for our students. Currently, over 850 students continue to receive education, who otherwise would have been forced into child labor. We continue to focus on the following goals for next year.

- Improving the quality of education to increase students' participation in higher education after high school
- Creating more opportunities for students to practice spoken English
- Enhancing students' computer literacy
- Nutrition Program to help students focus better at school
- Increased efforts and resources for the 61 orphan students

We had shared previously that a few of our Alumni are studying in the United States now. We are pleased to report that our first student Sheikh Hussain has graduated the Masters' Program from Indiana Wesleyan University. This is a major milestone for our academy, Alhumdulillah. We look forward to more students excelling in their educational goals.

Once again, we count on your continued financial support in educating and making a difference in the downtrodden communities of Hyderabad.

Wishing you and your family a blessed Ramadan!
