“Invest In Educating the Underprivileged”

Message from the President

Assalamuualyikum and Ramadan Mubarak,

As we reflect on our journey over the past 29 years, we are grateful to share the recent activities and initiatives undertaken by our organization, particularly during our visit to the two BFHS schools in October 2025.

During our visit, I, alongside our Executive Director, had the privilege of engaging with various stakeholders within the Bright Future High School community. We attended board meetings, annual day functions, parent-teacher meetings, and alumni gatherings. Each event provided us with invaluable insights into the ongoing efforts and achievements of the schools.

One of our key focuses was to review the teachers' performance reports. We understand that our educators play a crucial role in shaping the future of our students, and we are committed to supporting them in their endeavors. Through constructive discussions, we identified strategies to enhance teaching methods and address the needs of our students effectively.

In particular, we dedicated time to discussing strategies for improving outcomes for our weaker students. It is vital that we provide tailored support to ensure every child has the opportunity to succeed. Our discussions focused on implementing targeted interventions and resources that will help bridge the gap for those who need it most.

As we continue our commitment to educational excellence, I am encouraged by the dedication and passion of our team and community. Together, we can drive meaningful change and empower our students to reach their full potential.

Thank you for your ongoing support in our mission. Your zakat and sadaqa contributions are making a difference in a whole generation of Muslims. Please check out the 'Success Stories' section of this report.

Wishing you and your family a blessed Ramadan!

Warm regards,

M Ansar Ahmed
